DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a large and fairly plain two and one half story frame house. Across the front are four bays spanned by a one story porch, supported by Doric columns, with a plain ballustrade. In the center on the front is a large gabled dormer. The only ornamentation on the house is the imbricated shingle on the dormer and on the gable ends of the house.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This house, which was built sometime in the 20th century, is fairly plain and not particularly significant from an architectural point of view. It is compatible, however, with the large early 20th century houses on this block which are simple but attractive as a group.
